ECHO 2014

Dedicated to:
Mr. Andrew Longey

It is not often that someone has nothing but passion and dedication for his or her line of work, yet this is the case of Mr. Andrew B. Longey.

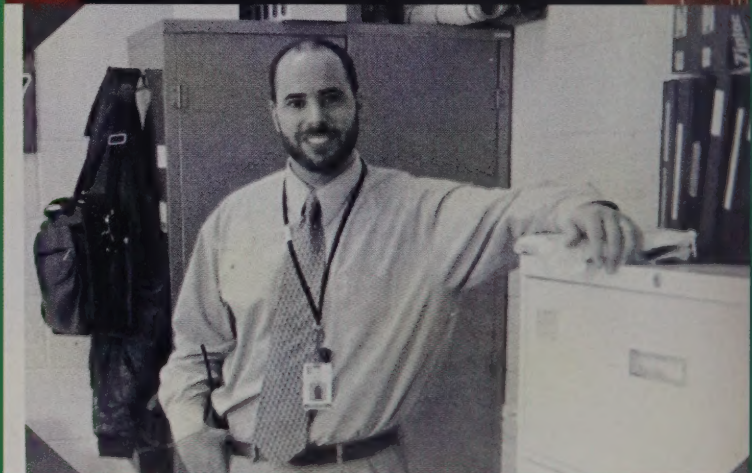

Mr. Longey began his career in the field of education at Springfield College a matter of years ago. He spent four years studying education with the goal of being a social studies teacher. His ambition led him to attend the University of Colorado Boulder in order to finish his master's degree. He started out as a history teacher at a middle school in the Denver area and quickly became immersed in the community. Before long, he became the department chair of the school's history department and coached the school's soccer team.

As a teacher in an inner-city area, the work environment could be difficult, but he made the most of the situation. "It was a great experience, filled with good people," said Mr. Longey. "It was a tough work environment, but I loved every minute of it." After moving back to Massachusetts, and attending Westfield State University for a degree in administration, he became a housemaster at John F. Kennedy Middle School in Enfield before taking a position at EHS.

During his four years at EHS, Mr. Longey has made an impact. His commitment to the school and improving education has been irrefutable. One of the more notable things Mr. Longey has been a part of was bringing the Rachel's Challenge program to our school system. He was instrumental in choosing the program and helping to get it going. Although he may not be as involved with the FOR club nowadays, he still supports it wholeheartedly and helps in any way he can. Mr. Longey is also a positive influence. He always urges the students on and firmly believes in rewarding good behavior. This sort of kindness and compassion is truly one-of-a-kind.

We appreciate Mr. Longey's dedication and will miss him being a part of our daily life as we graduate. Having such a good-spirited, positive influence in our life has been a wonderful experience.

The EHS Class of 2014 thanks Mr. Andrew B. Longey for all of the hard work he has put in over the years and acknowledges the impact he has had on the school. Nobody could have done a better job than you.

WAY BACK WHEN: Mr. Longey watches over us
at JFK in 2009.

Rise To A New Beginning

Written by Lauren Attenello

What is to come?
Where are we going?
Will we follow our dreams?

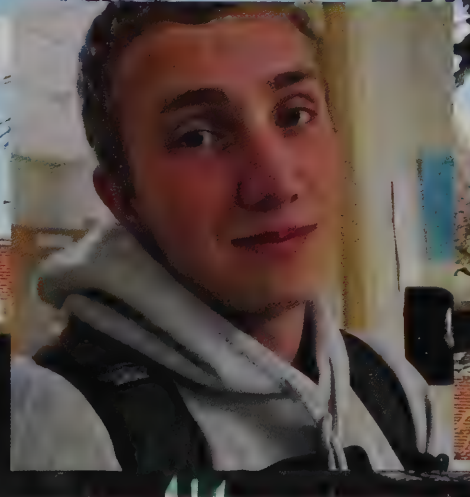

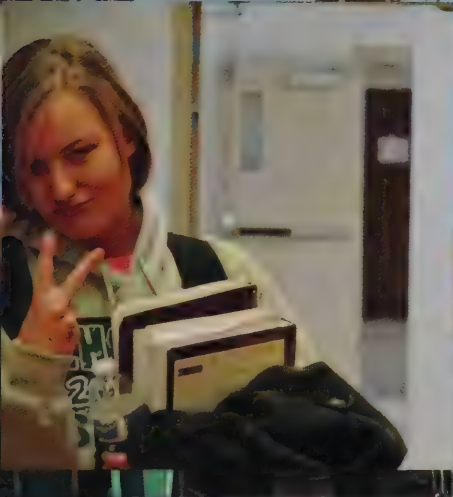

Waking from sleeping...
Rubbing our blurry eyes to see the morning sun
We've hit the snooze alarm up and done
Run to the bus as it turns the bend
We're greeted at EHS by our best friends
Get to homeroom makes good sense
Listen to announcements to know the events

Walking in the halls we reflect our time as we pass to each class,
All this will be memories, can't believe four years have passed
Familiar routines, we say goodbye
One last time to gather with our friends at class night, picnic, and senior prom
We think and sigh
As the class of 2014 receives their diplomas each one and all
Bound for serving our country, college or careers,
Can't believe we won't be returning next fall.

What is to come?
Where are we going?
Will we follow our dreams?

To the members of the Class of 2014:

It is hard to believe that we are at the end of your high school career! Can you remember coming for your freshmen orientation? Back then you were a bunch of middle school kids. Now you are Enfield High School graduates venturing off on an exciting journey. Please remember that learning never really stops. Throughout your life you will continue to learn and grow.

I have really enjoyed the Class of 2014. I am so happy to have been able to spend these past two years here at EHS with you. I have enjoyed getting into your classrooms and seeing you challenge yourselves. I have loved watching you on the stage, court, fields, ice and in the pool. You are a talented group academically, athletically and in the arts. You are kind. You took Rachel's Challenge on and supported our 4 R's- Respect, Responsibility, Readiness and Relationships. You have been great role models for the underclassmen.

Your senior year has flown by- even with a winter that seemed to last forever. As you get ready to leave Enfield High School, take a minute to express your thanks. Many people helped you get to this place: parents, grandparents, siblings, teachers, counselors, friends...whoever those people are for you, you know who they are, tell them. You have no idea how much that will mean.

I wish we could keep you here a little longer, but I am so excited for you as you enter this next stage of your life. I hope that you always reflect fondly on your time here. I wish each and every one of you the very best!

Mrs. Krieger
Principal

**Assistant
Principals**

Mr. Andrew Longey

Mr. Steven Sargalski

It is a privilege to have the opportunity to write this message to you in your yearbook. Your graduation marks an important milestone in your life. Over the past thirteen years you learned a lot, experienced happiness and sorrow, and readied yourself for the many challenges that lie ahead.

Upon graduation you will begin the first day of a new life. A life that is limited only by your beliefs and dreams. Many of you will explore opportunities outside of Enfield in college, working or in service to our country. Whatever you choose do it with passion ~ dare to be great!

We are confident that your studies here in the Enfield Public Schools have prepared you for any path you choose. So go explore life to the fullest.

We are very proud of you and wish you only the best.

Jeffrey A. Schumann, Ph.D.
Superintendent of Schools

Dear Members of the Class of 2014:

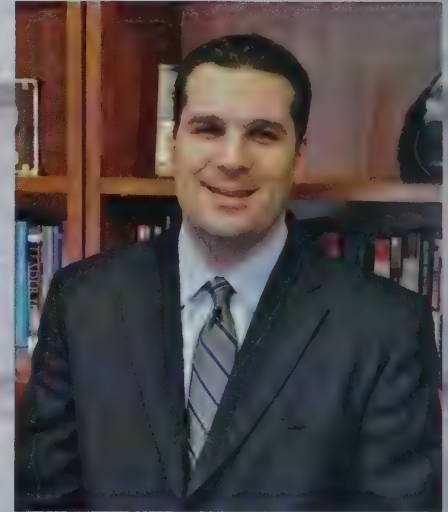

I want to thank you for inviting me to write this message for the ECHO. Commencement is a celebration, but also a time of reflection. I hope you will take this opportunity to reflect on your experiences not only in the classroom, athletic contests or extracurricular activities, but in the relationships and lifelong friendships you have all gained by attending Enfield High School. The bond you share with your classmates is gift you will have forever, and I hope you all continue to be great friends and classmates in coming years.

High School Graduation marks a significant accomplishment for you and your families, but also for your community. The Town of Enfield is extremely proud of the achievements you have accomplished, and your commencement ceremony is an opportunity for the entire community to honor you and the hard work you have all done.

Congratulations to you all, the Enfield Public Schools is extremely proud of you and we hope we have prepared you for a future filled with continued success.

Best wishes,

Christopher J. Drezek
Deputy Superintendent

Enfield Board of Education

Farewell...

Barbara O'Neill

Retiring teacher, Sra. O'Neill, has been teaching for forty-two years and has taught at four schools. Starting her career, Sra. taught at Suffield High, then went to JFK and has also taught at both high schools in Enfield. Along with teaching in high school, Sra O'Neill teaches Adult Education classes to men and women who have moved here from a country where their first language was Spanish, or to men and women who want to learn Spanish for their careers.

Some of Sra. O'Neill's favorite moments from teaching are watching her students enjoy learning and speaking Spanish as well as going on her CT-Spain Partnership trips with students. The partnership, which Sra. O'Neill and Sra. Dalpe started, has kept going for ten years now and means a lot to both teachers. Sra. O'Neill enjoys being able to see her students' comprehension of the language and the Spanish culture grow.

Of course teaching styles have changed over the forty-two years Sra. O'Neill has been teaching. She says that it has become more technological and content based and less student-oriented. She also worries that the students spend less time communicating with each other due to all of the new technology that is part of our society now, but she likes being able to use the technology to help the students learn.

"I look forward to seeing our new EHS and I wish only the best for all my students and colleagues past and present! It has been a pleasure to be a part of your lives and I will really miss the daily interaction with everyone. Words of wisdom: Love the career you choose, the fulfillment is so worthwhile! Don't forget to take a minute to laugh each day!" – Sra. O'Neill

Sra. Cloutman has had lots of teaching experience throughout her life. She has taught at many different schools all over New England, however she has never stayed at any of these schools as long as she has stayed with us here at Enfield High School. Sra. Cloutman has been with us for 15 years now educating students on the Spanish language and foreign cultures.

From her first day teaching here to her last day, she has been dedicated to preparing all of her students for the world of today. Her superb teaching has helped countless students over the years prepare to take on the next chapter of their lives. However, now the time has come for Enfield High School to say goodbye to this wonderful teacher as she takes on the next chapter of her life.

After her retirement this year, Sra. Cloutman plans to do lots of traveling and also lots of exercising. She enjoys knitting and going for long bike rides and hopes to catch up on those activities as well. She is also looking forward to finally having some days to sleep in. After about 6 months into her retirement Sra. Cloutman plans to try to find a part time teaching job such as teaching adult ed. She "will never forget the wonderful teachers and students that she has had the privilege to know from working here."

One thing is for sure, we will never forget Sra. Cloutman either and I think that it is safe to say that Enfield High School will never be the same without her. She played a big role in the education of many of Enfield High's students and she will be truly missed by all of us here at Enfield High School.

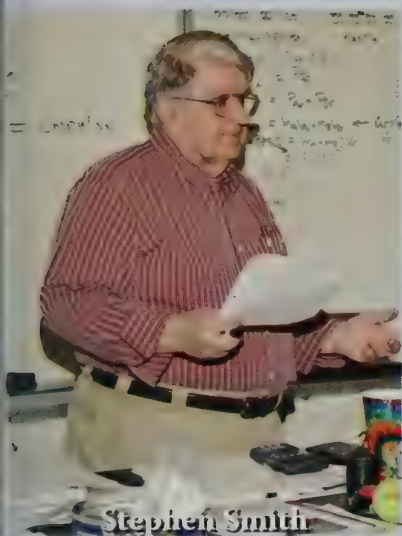

Karen Cloutman

Don Hollister

After teaching for 34 years at Enfield High, Mr. Hollister is saying farewell. In these years at Enfield High he has taught the kids the basics to repair cars in the auto shop and has done a little in the metal shop. He has been a main stay in the D-wing and has been a great mentor on teaching hands on courses all these years. There hasn't been much change in teaching for him besides the teacher load, meaning more classes, more students, and trying to find more work to keep the shop rolling. Mr. Hollister's best memories here at Enfield High have been the great dealings he has had with all the teachers and students over the years. He will be greatly missed and we wish him the best of luck in his retirement.

Most of the students in the school know him as S. Smith. With only a few questions about his teaching career, he had lots of stories to tell. He's been teaching 45 years; 34 in the Mathematics Department and 11 in the Science Department. He taught Algebra 1, 2, Geometry, Precalculus, Prep for Algebra, and several quarter courses that the school had years ago. In the Science Department he's taught Physics and AP/ECE Physics.

Of his favorite stories, years ago as one of the class advisers, he remembers taking two bus loads of students on class field trips to the beach and also having picnics. He comments, "We all had lots of fun." He also commented about his Recycling Club and how just a few years ago they made a difference in how people recycled. In his legacy, he hopes to see EHS to do a better job with this situation in the future.

Mr. Smith loves seeing teachers here in the building, as well as elsewhere in the system, that were former students of his. He also loves hearing from and about former students doing wondrous things in the world. A special event for him each year has been a lab where students create hot air-balloons out of tissue paper. He enjoys seeing his student's reactions.

Teaching has also changed a great deal since he first started. He says, "My teaching has gotten better as I have matured and accumulated more knowledge and experience. Teaching in general, has become more difficult as families have become more fractured and some students have lost a sense of self-discipline. Teaching has become too much of a political football with too many non-teachers deciding what should be taught and how. Testing is also getting way out of hand."

Mr. S. Smith's last words of wisdom for EHS are, "Be kind to each other."

Señora Dalpe has been a teacher for nearly 40 years. She began her career teaching English as a second language at Quirk Middle School in Hartford, CT. After 11 years there, she moved to the high school level, becoming the head teacher at Weaver High School, also located in Hartford, CT. There, she continued teaching ESL as well as teaching Spanish to native speakers. In her 19 years as a teacher involved with Hartford Public Schools, Señora Dalpe started a bilingual program and created a culture club, consisting of over 100 members. In 1994, Senora moved to Farmington and began teaching at Farmington High School. She taught Spanish Language Levels 1-AP for 6 years before coming to Enfield High School in 2002 to become the World Language Department Chair.

After college she received an M.A. in Bilingual Education and her certificate of Administration. She "never had the goal of becoming a vice-principal or a principal, but rather becoming a department chair." She wanted to "lead the department forward, while at the same time still being in the classroom and in the trenches with the kids." She loves the kids, and loves teaching kids. Señora Dalpe is not one to gloat and simply believes that every day is a highlight of her career. She lives for the "aha" moment a student has when something finally clicks for them.

Señora Dalpe is very proud of what she has accomplished here at EHS and in her earlier career. She does not plan to leave education after she retires, and looks forward to new opportunities to continue in education. She was born to be a teacher, and she knows it.

She plans moving forward to "reinvent herself," to take some time to do things that she hasn't been able to do in a while. She plans to do a lot of traveling and hopes to cross some things off of her bucket list. She has had so many great experiences and memories with her friends and faculty here at EHS; especially having created the CT-SPAIN program with her "true partner," Señora O'Neill. She feels so happy to be going out at the top of her game saying, "It's not over for me!"

The team performed in both jazz and hip hop styles throughout the year and gave up time on the weekends to learn new choreography. A new experience, a great time and an enjoying year was had by all.

Thank you to the countless individuals who contributed to make this year's ECHO a book that will be remembered for years to come!

RACHEL'S CHALLENGE

The FOR (Friends of Rachel) club had a busy year in 2014. The club enjoyed helping the greater Enfield community while also making positive contributions to the daily lives of EHS students. The club didn't just organize spirit days and fun weekly activities. They raised funds to help those in need, as well.

The club organized a hat day and a penny war competition as part of their charitable efforts, which benefited Loaves and Fishes, as well as the Little

Sisters of the Poor. In December, FOR club members held a Day of Kindness in conjunction with other clubs at Fermi and JFK. Together, they held a pancake breakfast event at St. Patrick's Church, and raised even more money for charity. FOR club members also enjoyed tutoring elementary school students throughout Enfield.

No matter what, EHS FOR club members made sure they always had your back.

**Got Your
Back!**

This club was inspired by a young girl named Rachel. Rachel was an unlucky victim in the Columbine High School shootings in Colorado. She was nice to everybody and believed in a chain reaction that can help better the world. This club was started here at EHS in 2012.

Relay For Life

The Relay for Life Team at EHS is dedicated to our goal and purpose of helping raise awareness and funds for the American Cancer Society. This is the first year our school has had a Relay for Life team and in the short time of having this club we already raised over \$1,200. We have made an impact on our school and community.

The team is led by Lauren Shanley, Jessica Miller, and Kyla Pokorny, and also accompanied by three teachers Mrs. Goddard, Mrs. McCann, and Mrs. Jurgens.

Our goal is to raise much-needed funds and awareness to save lives from cancer through the Relay For Life movement.

We held many fundraisers such as Zumba events, Halloween Costume Day, Holiday Pictures, a St. Patrick's Day Bake Sale, cancer awareness ribbons, and many hat days. We are really proud and excited about how far our team has come and look forward to the Relay for Life event in June and many more future years of having EHS participate in a Relay for Life event.

(St. Patrick's Day Bake Sale at Shop Rite here in Enfield. We raised about 350 dollars.)

We will be taking part in a 24 hour walk in June at Suffield High. We will stay overnight and sell goodies to benefit the fight against cancer. As a dedicated member of this club one had to raise at least \$100 towards this event.

Drama Club

The EHS Lamplighters put on three wonderful shows this year! They began in the fall with their production of *What A Life*. This was our first production with Mr. Ferreira as our director.

Dead and Deader, the dinner mystery show, was quite a brainteaser, as the audience members had to solve murders. In addition to solving murders, they also got a chance at stardom by acting in the play with many of the EHS actors themselves. With this performance, the club had a chance to act off of school premises, as the show was performed at the American Legion.

There was an interesting twist in the spring musical. *Pom Pom Zombies* allowed students to break a new barrier. They evolved into the undead, with gruesome rotting flesh. This show was a great send off for the seniors who have been in drama for most, if not all of their high school careers.

The Lamplighters love giving back to the community by giving it their all to put on a great production.

Art Club

The Enfield High School Art Club met on Mondays, under the supervision of Mrs. Nassau and Mrs. Nelson. Mrs. Nassau took over the Art Club in 2003. Since then, each year the club attracts more and more creative individuals.

Students describe Art Club as a place that they can go to express themselves without being judged. Every Monday, one can see people on the wheel, sitting at tables and sketching, or working on other projects, with their voices and laughter ringing through the air. Art Club is where one can be who they want to be and have their artistic needs met.

Each year, Enfield High School's art department holds an art show displaying the work of students. The show is open for the public to see the creativity of the Enfield school district's students. While any individual in art classes or in the Art Club may have their work displayed, the seniors in the portfolio classes get sections of their own to show off their work in one place.

This year, Enfield High School portfolio students Zach Desmond, Taylor Mortimore, and Mia-Le Desroches showed off their creative efforts during the show, which ran on March 28th and March 29th.

Marching Band

This year's Band had many amazing performances: UMass and UConn Band Day, our home football games with the Pep Band, the creation of our Hoop Band at the home basketball games, participating in our towns' parades, and taking back our field with the rebirth of our Marching Band.

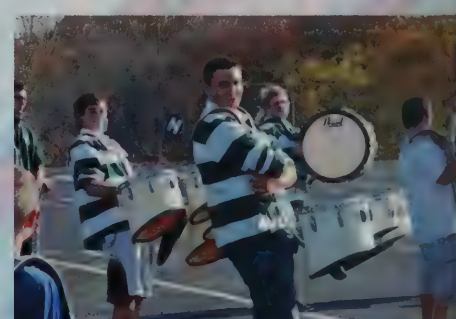

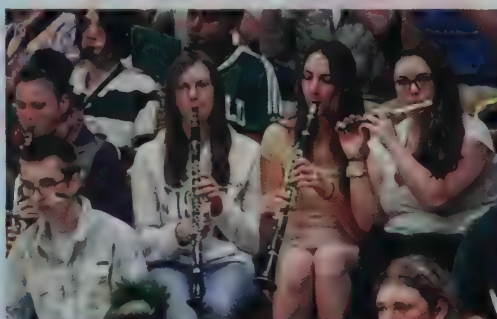

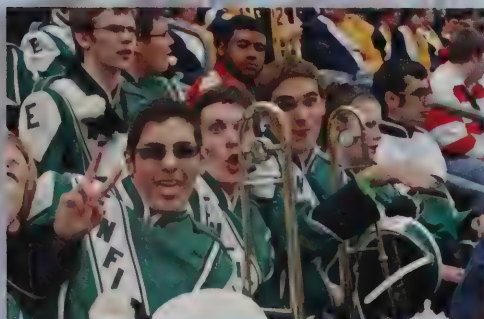

Due to the perseverance and work ethic of Mrs. St. Sauveur-Dandurand and ourselves, we learned a field show and presented it with full Color Guard and Drum Line for the whole town to see.

The Enfield High School Jazz Band and audition-only Jazz Combo has been an active member in the Enfield community this past year. Performances include the Torch Light parade, competing in Fermi's Jazz Festival (earning another silver medal) and at the Quassy Jazz Festival. We were invited to perform at the Tower Square holiday celebration series and for our own family and friends.

The Jazz Combo has really made a remarkable reputation for our department by performing for the Intermediate and Elementary schools in our district as well as the Arts Festival, fund raisers, Mark Twain, St. Josephs and Parkway Pavilion.

Chorus consists of a talented group of singers. This year we added some flair to our ensemble by dancing too! As usual, we sang in Enfield's annual Town Carol Sing at the Christmas Parade. Some members were selected to be a part of the NCCC Chorus and CMEA Regionals. Others performed at Wreaths Across America, the annual Arts Festival, or sang with the EHS Jazz band and Orchestra. We were also fortunate to take a field trip to Hartford Stage and go to Broadway to see Wicked. Our scheduled performances included the Holiday Concert, the Enfield Choral Festival and our Spring "Pops" Concert. Each performance was a success!

Twenty students from Enfield High's DECA club went to Orlando, Florida for five days in February for the DECA Sports and Entertainment Marketing Conference. While at the conference, the students participated in a hands-on case study which is designed for the students to use the information they have learned from professional speakers and their park experience.

On September 29th, Enfield High's DECA club held a car wash at the Raffia Road Plaza in Enfield, Connecticut. The car wash was a fundraiser to subsidize a marketing/DECA convention trip to Florida in February 2014. Due to the generosity of parents, family members, former students and their parents we were able to raise \$1100!

This year Enfield High School celebrated their 10th year with the CT-Spain Partnership. 10 years ago the program was started by Sra. Dalpe and Sra. O'Neill after meeting with the deputy commissioner of Education for Castilla y Leon. From their love of the Spanish language and traveling, they created a relationship with I.E.S. Ribera in Valladolid, Spain. Over the years the program has affected a countless number of people. This includes many parents and other EHS staff members who traveled on past exchanges; Mr. Emery (Special Education teacher), Mr. Duffy (Past-principal), Mrs. Smith (School Nurse), and Mr. Barnes (Physical Education teacher).

This school year EHS accepted students from I.E.S. Ribera in the fall. The students were accompanied by Teresa Blanco and Asún Domínguez, both English teachers at the school. In the spring, Sra. O'Neill and Sra. Dalpe traveled with a group of 20 students and Srta. Trichilo, to complete the exchange one last time during their careers here at EHS. The Foreign Language Department will deeply miss them. Though Sra. Dalpe and Sra. O'Neill are retiring, they hope that the program will continue for years to come.

The Partnership has allowed both Spanish and American families to open their homes to a different culture to learn about each other. In addition to hosting a foreign student, the exchange has also allowed many students to partake in many activities they otherwise wouldn't have been able to do. Some highlights include: Flamenco dance lessons, and then going to a tablao, cooking classes, visiting historical sites, attending class with their host siblings, and having to shop in the target language. Sra. Dalpe recounts when an American student had trouble with their Calculus homework and the Spanish math teacher had to explain the concept in Spanish.

Sra. Dalpe commented that the "impact has been far reaching for both American and Spanish students as they live and breathe the language and discover how much they all have in common."

The Enfield High School community would like to give a special thanks to Sra. Dalpe and Sra. O'Neill for their dedication to the CT-Spain Partnership as well as the administration for allowing EHS students to travel abroad.

Lunch is a time for food, spending time with friends, and... fund raising? Whether it's the senior class trying to raise money to decrease our dues or organizations collecting money for their causes, Enfield High students know how to come up with creative ideas to be of service to our community.

In November, the senior class chose a day to tape teachers to a wall. Mr. LaMesa and Mr. Gaucher were happy to volunteer. It was a memorable experience, to say the least. Many students and even some staff members threw in money to help benefit the senior class.

Mrs. Jurgens' UConn Individual and Family Development class raised money for Relay for Life with Mr. Barnes posing in a Santa suit.

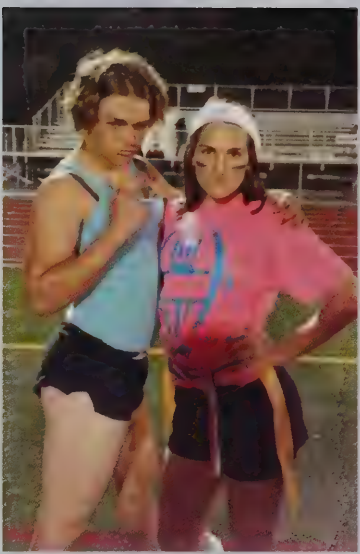

On Saturday, October 19, 2013 Enfield High held their annual Powder Puff football game. The junior girls played the senior girls in a flag football game under the lights on the turf while the senior and junior boys were the cheerleaders.

For the first time in five years, the juniors won with a final score of 28-23. All the girls did a really great job, and had a lot of fun! The senior cheerleaders also did a great job. They all dressed up and created great halftime entertainment. They held a dance off at halftime against the junior cheerleaders. The dance off included killer dance moves, back flips, and even a split! The senior boys won the title for "Best Male Cheerleaders."

Former principal, Mr. Duffy, came back to officiate the game with Mr. Sargalski. Both did a great job, making the calls fair on both ends and making the game a good time for all.

All the proceeds from ticket sales that night went to the Enfield Food Shelf. Between parents coming to cheer their kids on, and students cheering their friends on, we raised close to \$1,000 for them! It was a rewarding, fun and successful night!

Cross COUNTRY

The Cross Country team's season started with much promise in winning the first meet of the year. Both boys and girls teams started out 2-and-0, inspiring the team with a great outlook for the year. The team had many first year runners who are now committed to the team for their high school careers.

Cross Country is looking forward to recruiting more girls next year so they will be able to field a full squad all year long. The boys finished 11th place with a 5-21 overall record. The Girls finished 12th place (3-20 overall).

Captains were Kyle Baker, Marc Falcone and Stephanie Malicki. The top runner for boys was Connor Shannahan and the girl's top runner was Megan Rund. Kyle and Marc were second and third best runners for the boys; Stephanie Malicki was the second top girl runner. Seniors were Steve Roy, Kyle Baker, Marc Falcone, Darien Atkins, Dan Sollmi and Stephanie Malicki. Off the field, the team came together for a team fundraiser at Moe's restaurant in Enfield held for athletes and their families along with our school community.

Field HOCKEY

The girls field hockey team had a very good season this year. They began strong and stayed strong throughout the entire season. They trained hard and played even harder. This dedication for the game earned them the ability to go to the state tournament. The girls gained confidence that wasn't there in past seasons, and achieved great success. The team became a family, and the players supported each other throughout the tough times when they felt as if they couldn't go on any longer. Due to that devotion and dedication Megan Evans and Madison LaRusso made the CFHCA all-state team.

FOOTBALL

The Enfield High Football team had a pretty good season, winning five games and losing six. These statistics do not show the amazing amount of talent that this team as a whole carries. Each player plays with their all, and because of that they are very successful when it comes to the effort in whole as a team.

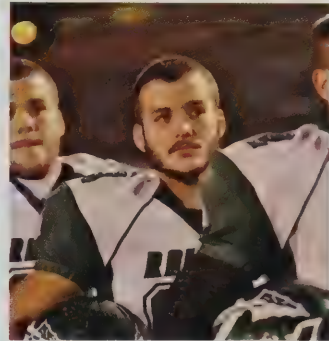

Every player tried to work to their full potential and this made for a season worthwhile. Because of all his work Raider player Tyrik Henry was able to achieve all states. Overall, the players were able to grow together and become closer, making next season look promising.

Boys SOCCER

This year's Boys soccer team faced many challenges this season but were able to win key games against SMSA and East Granby. Key players included Anthony Romei, who scored 12 goals this season, and Korey Wells, who excelled in controlling the flow of the game.

Mike Casey, Andrew Halgas, Kyle Slaydon, and Korey Wells were selected to represent the Raiders at the 10th annual NCCC All star game.

This season, the boys team received the honor of winning the NSCAA Silver Award Team Ethics Award of Merit for High School Teams.

Player injuries prevented the team from achieving their goal of a winning season, but Coach Mancuso is looking forward to next season with Anthony Romei as a senior.

Girls SWIMMING

The girls swim team had a great season. The team's coach, Jout Fitzmians said it was "one of the best [seasons] that we had in a long time."

"We won some and lost a few due to diving," said Kelsey Barz, captain of the swim team.

Although they lost a few meets due to diving, many girls on the team qualified for states, including Rebecca Kaliff, who swam record breaking 200 meter time for the CCE championship!

"We are so proud of Rebecca Kaliff and I am proud of the team this year as well." – Jout Fitzmians

"Overall the team got along well and we were all supportive of each other. I will definitely miss the swim team next year." – Kelsey Barz

Members of the girls swim team:

Adelle Bently.

Girls SOCCER

The 2013 Girls Soccer team ended the season with a record of 7-7-2. The team made the state tournament, where they lost to Valley regional In the first round in double overtime. "Our record doesn't indicate how well we played and the type of team we are. We had a rough start then we finally got our act together as one team."

Some highlights of the season were Rachel Bearse's goal in the state tournament game and making it to the first round of states. "Oh my god Rachel's goal that was amazing, that thing was a rocket ship"

A few key players from this season were Tina Leonardo and Sam Dumas. "Our Starting defense was fantastic, very strong core of defenders." Regina LeBlanc also stepped up as a freshman this season.

CHEERLEADING

This year the Enfield High School cheerleaders had a great competitive season. Before the season began the whole team attended a summer cheer camp to hone in skills and bring the team together before the competition season began. The 24 girls really enjoyed spending the most time practicing for routines to use at competitions. They participated in competitions all around Connecticut finishing second place in two competitions, and third in another. The team coach (Elise Goldapper) and the team captains (Sammi Bielecki, Jacob Collins, and Kristin Whalen) were very proud with the spirit, attitude and execution at competition, and as well as at the School football and basketball games.

Girls VOLLEYBALL

"Even though our record certainly doesn't show what this team is and was capable of doing, toward the end, the girls began to communicate better and trust each other a little more." Coach Belise states about her volleyball team this season. It overall wasn't the best season that the Enfield Girls Volleyball team has had, but this was a learning season for them.

Playing isn't always about winning, it is about playing the game as well as you can. It can be told by watching these girls play, that they tried their hardest and that is all that mattered in the end. That devotion to the game has helped everyone on this team grow as a person, friend and a player.

Boys

BASKETBALL

The Enfield High School basketball team was the team to watch this season, despite the loss of many starting seniors from last season. This team had something to prove. Although this might not have been the best year for the boys, with the record of 3-17. Seniors Steve Serrano, Isaac Cruz, Alex Gould, and Victor Attisso all had a great season and will be missed next year. But with upcoming Junior Captains Rachone Preston and Boomer Romano plan to go out with a bang. With Ra going All-Conference this year, he will definitely be the one to look for next season.

The Biggest Highlight of this season is the dramatic win over Enrico Fermi High, continuing our legacy to beat our town rival. With Coach Kevin Zalucki as his first year as Head Coach, we still look forward to his potential leading this Enfield High School team to a whole new Franchise.

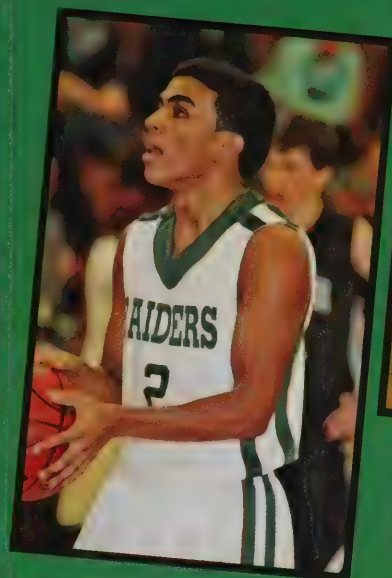

Front row: Kendrick Haynes, Joseph Roberts, Alex Gould, William Romano, Rachone Preston, Steve Serrano, Isaac Cruz, Victor Attisso.

Captains: William Romano and Rachone Preston

Seniors: Isaac Cruz, Alex Gould, Steve Serrano, and Victor Attisso

Girls BASKETBALL

The Enfield High Girls Basketball team had their best season in a decade in 2014. Led by Coach Jay Gaucher, the girls achieved a 9-11 record, including a big win in the Rotary Tournament for the first time since 2004. Junior Christina Leonardo was named that tournament's MVP, and Regina LeBlanc earned all-tourney team honors.

The Lady Raiders qualified for the NCCC tournament and the Class M tournament this year. "The girls worked hard every day on improving as a basketball player and as a person," said Coach Gaucher. "They also were focused on changing the image of the girls basketball program from being a pushover to a team that will compete and not back down from anybody."

Seniors Maggie Richards and Kristen Serafin led the team through their impressive season, and they leave the team in great shape for the future.

The Fermi-Enfield-East Granby-Stafford Hockey Squad had an entertaining season, finishing with a record of 6-14-1 and a state tournament birth. The squad's seniors stepped up and led the way this year, with the help of some juniors in Brian Riley and Ryan Gothers, and sophomore goalie Sam Roy was the backbone of the team this year between the pipes.

Looking back on the year it was a success for the team even with a 6 win season, it provided a foundation for future success for this program. The squad will miss all of its seniors as they lose All-Conference Defenseman and Captain Ernie Bouthiette, All-Conference Point Leader Jacob Quinn and Captain Matt Boulette, the team will also be losing depth in the goaltending department as Matt Roy departs along with forward Marc Richard and defenseman Nate Marin.

The team looks to get back at it next season, as Coach Genovese stated "the season starts now not in November." The team will look for big contributions from the upcoming seniors in Brian Riley, Ryan Gothers and goalie Sam Roy. All of the Seniors leaving this team will be missed and we wish them good luck in the future. Go FEEGS!

INDOOR TRACK

Indoor track had much success this year with Tyrik Henry leading the team in accomplishments. This year the whole team had the chance to compete in NCCC meet. Only three people this year were able to make it to States. Those three people are Tyrik Henry, Leah Keenan and Damian Carrasquillo. Tyrik Henry got 1st place over all for the 55 hurdles and Leah Keenan got 11th over all for the Mile. Tyrik Henry also went to states for the 55m dash and the long jump. Tyrik also achieved the impressive feat of making it to Nationals. In Nationals Tyrik got an impressive 2nd place overall. Tyrik Henry and Leah Keenan Both beat school records for their events. Tyrik's new school record for the 55 hurdles is 7.49. Leah Keenan's new school record for the mile in 5:46.

Graduation day is finally here,
And so now ends your high school career.
Always remember the friends you hold dear,
And look toward your future without any fear.
This is the day you've been preparing for
Since the day you walked through that first
classroom door.

Now it is time to say good-bye,
And spread your wings - you're ready to fly.
So shed a tear and share a smile,
And be sure to remember all the while,
That although it may now be time to move on,
Today's memories will last your whole life long.
